

**GLOBAL AIRLIFT SOLUTIONS LTD.**

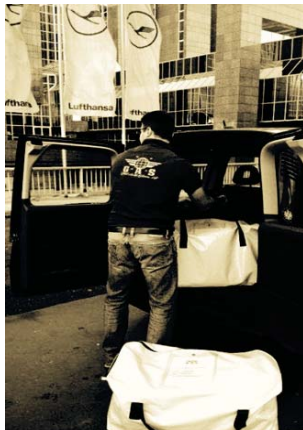

*the fuel for your logistic needs*

## On-Board-Courier Service

...dedicated couriers strategically located around the globe!

..When seconds count, your items require personal attention.

Our experienced OBC Team is fully versed in the regulations and restrictions regarding airline policies in terms of weight, size, commodity, value and final destinations.

Our Global Courier Network, which includes multiple visa holders, offers 24/7 coverage around the globe with outstanding, efficient service, and give us access to virtually any destination in the world.

Our On Board Couriers are travel experts, who are able to move freight as checked baggage on commercial airlines to nearly all destinations worldwide. They are based in or around main Hubs in the Americas, Europe and Asia Pacific Regions.
